

Exhibitor Information Sheet

Thank you for your decision to participate as sponsors or exhibitors at the 12th International Conference on the Scientific and Clinical Applications of Magnetic Carriers! This year the conference events will take place at the **University of Copenhagen (UCPH)**'s Nørre campus in Copenhagen, Denmark. A map outlining the conference site is provided below.

Here is a brief overview of where things will be happening. Location-specific details are described in the pages that follow.

- The presentation portion of the scientific program will take place in **The Maersk Tower** at Blegdamsvej 3 (**Red**). The presentations will take place inside in the new Niels Jerne auditorium. The exhibits (table tops etc.) will be on the outside, where we also will have our coffee breaks. Buffet lunches will be available from tables just downstairs in the “Cantina”.
- The Welcome Reception (Tuesday, May 22) will be held in **TBD**.
- Poster sessions will take place outside the Niels Jerne auditorium, nearby on the same level. A better map will be added here later.

- A 1.4 m long table, chairs and access to electrical outlets will be provided in the exhibitor’s area to exhibitors with the table top option. Please let us know if you have any other requirements.

Registration Desk

To participate in the conference’s social and scientific events, exhibitors will need to register for the conference as access to these events is not included in the exhibitor package. You can register online at

<http://magneticmicrosphere.com/meeting-twelfth-registration>

You can then pick up your conference badges and abstract booklets on May 2 between 18:30-22:00 at the registration desk during the reception. On meeting days, these materials will be available for pick up from 08:00 until the end of the presentations.

Abstract Booklet

Every exhibitor and sponsor is allowed to send us an **advertisement page** for inclusion into the abstract booklet. For this, we need to receive 400 copies sized A4 by **Friday, May 11**. The inserts can be double sided and in colour. **Also, if you print it on thicker paper, then they make nice dividers between the abstract booklet sections and will be even more visible to the participants.**

If you choose to just include a black and white advertisement page, then please e-mail it to urs.hafeli@ubc.ca by the same deadline of **May 11** and we will print it directly with the other pages. Thank you.

Shipping Information

If you would like to **ship to us any exhibiting materials or displays**, you can ship them to

Prof. Urs Häfeli
Department of Pharmacy
Faculty of Health and Medical Sciences
University of Copenhagen
Universitetsparken 2

However, we will not pay for any fees, taxes, custom fees, etc, so please make sure that these costs have been prepaid. Note that all exhibiting materials have to arrive at the latest by Monday, May 21, otherwise we cannot guarantee that you will have your materials at the meeting.

Please also send an email outlining how many boxes to expect and other essential shipping details to urs.hafeli@ubc.ca.

We are very excited to host our now already 12th meeting and look forward to having you all being with us, gaining many new clients and profiting from the collaborative, supportive atmosphere and science at our meeting.

Please feel free to send any additional questions to urs.hafeli@ubc.ca

With best wishes,
Urs Häfeli
