6<sup>th</sup> International Conference on the  
**Scientific and Clinical  
Applications of Magnetic Carriers**

May 17 – 20, 2006

Krems, Austria (Vienna Region)

Krems an der Donau, one hour drive from Vienna Airport, is the eastern gateway to the Wachau Valley, one of Europe's loveliest river landscapes with a famous vine culture. The history extending back more than thousand years is evident everywhere - in the streets and squares, in the old monasteries, churches and hundreds of original cellars of winemakers.

The historical center of Krems is one of the most beautiful in Europe. In 1975 Krems was singled out as a "Model City for Historical Preservation" and in 2000 it was added to the UNESCO World Heritage List.

You are cordially invited to our next and 6<sup>th</sup> Conference by:
